ASE Certification Information Inquiry Guidelines

To obtain a technician's current ASE certification status, you must submit a written request. If this request is for a business, the request must be on company letterhead. ASE will only confirm those tests which were passed. Write to:

ASE
Technician Certification Status
101 Blue Seal Drive, S.E., Suite 101
Leesburg, VA 20175

Customer Service Fax Number: (703) 669-6122

The request must include:

1. Each technician's first and last names
2. Each technician's social security number or ASE identification number
3. Reason for the request
4. Signature of the person making the request
